# **Things to do in Charleston, SC**

Charleston, the South Carolina port city founded in 1670, is defined by its cobblestone streets, horse-drawn carriages and pastel antebellum houses, particularly in the elegant French Quarter and Battery districts. The Battery promenade and Waterfront Park both overlook Charleston Harbor, while Fort Sumter, a federal stronghold where the first shots of the Civil War rang out, lies across the water. Charleston is the oldest city in South Carolina and has become a very popular tourist spot.
